TRUSS MOUNTS

Install flat panels to a truss safely and quickly

There is no easier way to mount flat panels to a truss than with one of the Audipack truss mounting solutions.

Audipack offers a range of flexible products that feature safety and speed as key elements. The low risk way to mount the flat panels with the minimal use of tools and external materials.
A fixed mount is available which is directly mounted to the truss. This product line is available with varying lengths of tubes for total flexibility.

To install your flat panel to an Audipack product an additional flat panel bracket is needed.
See "Mounting brackets for flat panels" section on page 47 for an overview of the available brackets.
